

Biography

JENSEN & SKODVIN ARKITEKONTOR AS, Fredensborgveien 11, 0177 OSLO, NORWAY
TLF +47 22 99 48 99, FAX +47 22 99 48 88, www.jsa.no

Jensen & Skodvin Architects

The practice was established in 1995 by Jan Olav Jensen and Børre Skodvin. Starting with 4 architects, the staff has grown to 9 architects in 2009. During these 14 years the office has completed a variety of projects, for public as well as private clients. Projects range from furniture to urban planning, but with weight on building commissions and landscape interventions. The projects are located in a variety of sites and situations

CV Jan Olav Jensen:

Born 1959. Graduated in 1985 from the Oslo School of Architecture and Design in 1985. He is a tenured professor of Architecture at the Oslo School of Architecture and Design since 2004. He founded Jensen & Skodvin Architects with Børre Skodvin in 1995, after a period of private practice and employment at various offices since 1985. He has worked as a teacher and on juries at several universities. He was the Kenzo Tange Visiting Design Critic at Harvard University, Boston 1998 and received the Aga Khan Award for Architecture the same year for the Lepers' Hospital. He was awarded the Swedish Prince Eugen Medal in 2006.

CV Børre Skodvin:

Born 1960. Graduated from the Oslo School of Architecture and Design in 1988. He is the current head of the institute of Architecture at the Oslo School of Design and Architecture from 2009. He founded Jensen & Skodvin Architects with Jan Olav Jensen in 1995, after a period of employment at various offices since 1988. He was the chief editor of Radio Nova in 1989 and has worked as a radio journalist. He was the master of the steel workshop at the School of Architecture and design from 1999 – 2004. He was the vice president of Norwegian Architects association from 2005 – 2008 and currently sits on the board. He has been a censor and external critic at various Nordic universities. He is a frequent lecturer nationally and internationally.
